Welcome to

Las Vegas

On behalf of Chicago Title, we proudly present our Las Vegas Relocation Guide. If you are moving or planning to move to Las Vegas, this guide will give you some important information you'll need to start your new life here.

At one time considered a famed resort exclusively for the purpose of entertainment and gaming, our Valley continues to grow into a positive community adapting to the needs of all family life. With its growing economy, low overall taxes, and favorable cost of living, the population of Clark County continues to climb. According to the Clark County Comprehensive of Planning, the total population in Clark County is estimated to be 2,102,238 people. Clark Country includes the cities of Las Vegas, Boulder City, Henderson, Mesquite, and North Las Vegas.

Las Vegas is a subtropical desert climate. The city enjoys abundant sunshine year-round: it has an average of about 300 sunny days per year with more than 3,800 hours of sunshine, the chances of a rain-out or (snow-out in winter are slim). The Nevada climate offers outdoor enthusiasts the ultimate playground. In the warmer months, Valley residents visit the nearby mountains and lakes to enjoy hiking and water sports. During the mild and pleasant fall & winter months, there are plenty of activities from which to choose including many events and activities as well a great selection of golf courses.

The very same bright sunshine, superb recreational opportunities and first-rate attractions that draw millions of tourist and seasonal visitors have made the Valley one of the most popular relocation destinations in the nation.

Las Vegas Valley

THE HISTORY OF LAS VEGAS

Las Vegas ("The Meadows" in Spanish) was founded as a city on May 15, 1905. The Nevada Legislature created Clark County on July 1, 1909. The new county was named after William Clark, who brought the railroad to southern Nevada. Las Vegas became the county seat. At that time, Las Vegas was only 19.18 square miles and had a population of approximately 800, less than one percent of the state's total population.

On March 19, 1911, gambling is legalized in the State of Nevada. One month later the city issues six gambling licenses. Beginning in 1931, the construction of Hoover Dam brings an influx of construction workers which starts a population boom and gives the Valley's economy, which was in the grips of the Great Depression, a needed boost.

The outbreak of World War II brings the defense industry to the valley. The isolated location, along with plentiful water and inexpensive energy, makes Las Vegas an ideal site for military and defense-related industries. The site for Nellis Air Force Base is located in the northeast, and the Basic Management Complex, providers of raw materials, is located in the southeastern suburb of Henderson. The defense industry continues to employ a significant number of valley residents. In 1945, following World War II, lavishly decorated resort hotels and gambling casinos offering top-name entertainment come into existence. Tourism and entertainment take over as the largest employer in the valley.

In 1969, Elvis Presley opens at the International Hotel, now known as the Las Vegas Hilton.

Starting in the mid-1980s, a period of unprecedented growth begins. Annual population increases averaging nearly seven percent causes the city's population to almost double between 1985 and 1995, increasing from 186,380 to 368,360. Clark County's population increases from 562,280 to 1,036,180. The US Census reports the population of Las Vegas is 478,434 over a land area of 113 square miles. There are over 500 churches and synagogues, 799 acres of parks, 7 television stations and 12 radio stations (4 AM and 8 FM). Las Vegas is the largest metropolitan city in the U.S. that was founded in the 20th century.

The city of Las Vegas celebrated its 100th birthday on May 15, 2005. The events celebrated the 1905 auction in which 110 acres of downtown Las Vegas laid the foundation for the city we know today. The celebration began on December 31, 2004, and lasted throughout 2005.

Did you know?

Nevada is the 7th largest of the 50 states, but is one of the most sparsely populated? Did you also know that the state of Nevada, “Battle Born”, was the 36th state admitted to the Union on October 31, 1864 because its silver & gold production was needed to help finance the Civil War?

Fun Facts About Nevada:

- *Nevada was named after the mountain range in the west. From out at sea, Spanish sailors gazed upon the beautiful mountain ranges in California. They called these mountains, Sierra Nevada, giving the origin of the state’s name “snow-capped” in Spanish.*
- *Nevada has more mountain ranges than any other state, with its highest point at the 13,145 top of Boundary Peak near the west-central border.*
- *In 1899 Charles Fey invented a slot machine named the Liberty Bell. The device became the model for all slots to follow.*
- *Locals use terms like; The Sagebrush State, The Silver State, and The Battle Born State as nicknames for Nevada.*
- *Nevada is the largest gold-producing state in the nation. It is second in the world behind South Africa.*
- *The only Nevada lake with an outlet to the sea is man made Lake Mead*

The present Nevada flag is a beautiful cobalt blue, with a symbolic pattern in the upper left portion. The springs of sagebrush indicate that the yellow sagebrush is the national flower of the state. The slogan on the ribbon expresses that Nevada became one of the states of the Union at the time of the Civil War. The silver star stands not only for the state of Nevada, but also for the rich deposits of state mineral wealth. The Nevada Flag gives out important details about the state through its simple yet meaningful symbols.

More about the Shark Reef Aquarium...

The Shark Reef Aquarium at Mandalay Bay is not your usual aquarium. It's a total sensory experience designed to transport visitors to an undersea ocean of terrific sights, sounds, and encounters. Featuring dangerous and unfamiliar aquatic creatures from the world's tropical waters. Shark Reef Aquarium takes visitors on a journey through an ancient temple slowly being claimed by the sea.

Fourteen incredible exhibits are devoted to dangerous aquatic predators. The largest exhibit is the 1.3 million gallon shipwreck where visitors experience an almost 360-degree view, swarming with sharks and fish, through an acrylic tunnel. The Touch Pool is a popular attraction, where guests can touch an ever-changing collection of animals including sharks, rays or horseshoe crabs. There are more than 2,000 animals displayed at The Shark Reef Aquarium and over 100 different species, which 15 of the 100 species are sharks.

The Top 10 Free Things To Do in Las Vegas

- 1 Bellagio Light & Water Fountain Show**
A fanfare of lights, powerful sound and gushing jets of water fly up into the sky casting a spray of excitement in the air. Shows take place Monday through Sunday. Weekdays go from 3:00pm to midnight and weekends go from 12:00pm to midnight. The shows happen every 30 minutes until 7:00pm and every 15 minutes from 7:00pm to midnight.
- 2 Wildlife Habitat at the Flamingo**
Past the hotel lobby and casino you will find a collection of birds and other animals living on an island surrounded by streams and waterfalls. Over 300 birds are features including, of course, a flock of pink flamingos. You'll also see penguins, swans, and ducks. Living in the stream are koi and turtles. The Wildlife Habitat is open 24 hours, 7 days a week.
- 3 Conservatory & Botanical Gardens at the Bellagio**
An indoor garden with a spectacular floral display. The 50 foot high glass roof provides a sunny place for great photo opportunities. The displays are changed each season and for major holidays. The garden is over 13,500 square feet and has 1,200 bins of exotic plants. The Conservatory & Botanical Gardens at the Bellagio is open 24 hours, 7 days a week.
- 4 The Volcano at the Mirage**
This man made, 54 foot volcano, first opened in 1989. It erupts every night right on the strip. Flames and smoke shoot from the top, while molten lava flows down its sides. You can feel the heat from the flames on your face as you stand on the sidewalk. Although it has stood in place for 15 years, it never fails to awe spectators every night. The volcano erupts every 15 minutes from 7:00pm to midnight.
- 5 Fremont Street Experience**
A mega million dollar canopy and light show shrouds the original Downtown Las Vegas Fremont Street and is really a sight to behold. It presently starts at 8:00pm with shows every hour on the and finishes at midnight. The show is approximately 12 minutes long.
- 6 Sirens of TI at Treasure Island**
The Treasure Island Hotel and Casino describes its Sirens of the TI show as a "modern musical-meets-action-movie spectacular". The show features music, dancing, swordplay, acrobatics, pyrotechnics and a full size ship sinking. The show plays every night and is about 15 minutes. Show times start at 7:00pm, 8:00pm, 10:00pm, and 11:30pm
- 7 Rock and Roll Memorabilia at The Hard Rock**
The Hard Rock Hotel and Casino has collectibles from all of your favorite rock n' roll stars! They have The Beatles collectibles, motorcycles from Guns N Roses', leather jackets from the Ramones & Aerosmith, and many other autographed musical instruments from your favorite rock stars!
- 8 Miracle Mile Indoor Rainstorm**
Excitement pours down every hour at the Miracle Mile Shops during the indoor rainstorm. You simply can't miss this miracle in the desert featuring thunder, lightning, fog and pouring rain. This attraction is especially nice during the hot summer months, but at any time of the year this rainstorm amongst shopping galore, is both thrilling & enjoyable.
- 9 Fashion Shows at Fashion Show Mall**
The fashion show takes place on an 80-foot retractable runway anchored at one end by 784 square foot stage box within The Great Hall, a huge even venue in Fashion Show's new west wing. The runway and stage rise "almost magically" out of the shopping center floor several times daily. In addition to the runway and stage box, 3 LED screens with advanced lighting features drop from the ceiling above the runway to create a multidimensional experience.
- 10 Circus Acts at Circus Circus**
The largest permanent circus in the world. One of the oldest and most loved shows in Vegas features aerialists, jugglers, trapeze artists, and clowns. The show is performed in the big-top at the midway, which is one level up from the casino. Each show lasts about 10 minutes. There are limited number of seats available, so get there early. The Circus Acts at Circus Circus show every day from 11:00am to midnight and start every half hour.

Communities

Northwest Area

The Ridges

The Ridges is one of the most prestigious communities in all of America. The Ridges has the best backyard in Vegas— The Red Rock Canyon National Conservation Area. The neighborhoods of The Ridges feature luxury and custom homes all set around Bear's Best Las Vegas, an 18-hole Jack Nicklaus-designed public golf course. All 18 holes at Bear's Best are replicas of Jack Nicklaus courses from around the West. Residents at The Ridges have access to the exclusive Club Ridges, which is a private club featuring a state of the art fitness center, resort pool and tennis court.

The Summit

Nestled between Red Rock Canyon National Conservation Area and the Las Vegas Strip, The Summit is a private, luxury gated golf community located on 555 acres of scenic, secluded land within Summerlin, Las Vegas' premier master planned community. The Summit is just 9 miles from the Las Vegas Strip and is surrounded by world-class lifestyle and entertainment opportunities.

Iron Mountain Ranch

This community consists of several neighborhoods, each with its own feel and style. Most neighborhoods feature traditional homes priced from the mid \$200s and top around \$1 million. These homes are newer and vary in size and style. Home owners enjoy the benefits of this quite and calm community.

Providence

Providence is located on 1,200 acres above the sparkling lights, in the upper west side of the Las Vegas Valley. You will find all of the modern comforts and amenities you would expect from a new home built by one of the nation's top homebuilders. Flowing parks and tree-lined boulevards connect the neighborhoods in the Providence community. A year-round calendar of planned community events brings neighbors together to enjoy family activities. Modern living meets traditional values. Providence has become the one of the most desired choice amongst all Las Vegas real estate options.

Red Rock Country Club

From natural beauty to world-class amenities, Red Rock Country Club offers an exclusive, truly private setting where members enjoy an incomparable level of service and attention. It is composed of 735 acres of exclusive and personalized homes and features two 18-hole golf courses designed by Arnold Palmer. Red Rock Country Club covers 42,000 square feet and borders the Red Rock Canyon National Conservation Area, which provides panoramic views of the Las Vegas Valley. The club house features recreational and social pursuits, including an aquatic center, fitness facility, and tennis center.

Summerlin

Located adjacent to Red Rock Canyon National Conservation area, a 200,000-acre, federally-protected playground with international clout. The striking desert and mountain landscape boasts more than 2,000 climbing routes, earning Red Rock the distinction as one of the top five climbing destinations in the United States. Since 1990 the Summerlin community has grown to encompass more than 150 parks, more than two dozen public and private schools, nine golf courses, three resort hotels, retail and entertainment centers, state-of-the-art medical centers, and more! In Summerlin, the abundance of amenities combine to create the community's hallmark quality of life. It's a community that has something for everyone: for the truly young to the truly young at heart. Home options include; single family homes, urban-inspired lofts, townhomes, apartments, mid-rise luxurious condos, and exclusive custom neighborhoods

"Education is not preparation for life; education is life itself." - John Dewey

About The Clark County School District...

With over 300,000 students, 35,000 employees, and 336 Schools, the Clark County School District (CCSD) is the fifth-largest school district in the nation. Not only is it the fifth-largest in the nation, it's also one of the fastest-growing school districts in the country. Throughout the year, CCSD students have the opportunity to participate in a range of team and individual-based sports. These practices start early August and consist of: tennis, volleyball, cross country, golf, swimming, soccer, bowling, basketball, and track. Girls softball and boys football, wrestling, and baseball are also offered.

The Clark County School District consist of 21 magnet schools that make every effort to "empower students by utilizing academic rigor while integrating communication, leadership, and critical thinking skills." In addition to core curriculum, select schools offer dedicated program areas such as, aerospace and aviation, information technologies, performing and fine arts, communications, law, health services, travel and tourism, and engineering. Magnet Schools were created to encourage diversity, implement innovative and challenging courses, utilize innovative educational logics and exercises that will amplify student learning, and offer carried programs that will prepare students for both further education and potential careers.

Clark County School District

Accountability Reports

Accountability reports contain detailed information about schools in the Clark County School District, as well as charter schools. Annual reports are prepared in compliance with the federal No Child Left Behind Act and Nevada Revised Statute. Accountability reports are used by teachers and administrators as they develop academic plans to increase achievement of all students. Also available online, you can view data, compare data, conduct custom searches, and print individual screens as needed

In Nevada, the law requires children must meet the following minimum age and entrance requirements on or before September 30, 2014, to be admitted to kindergarten, first, or second grade. Kindergarten students must have attained the age of 5 years old by September 30th to attend kindergarten. First-grade students must have attained the age of 6 years old and demonstrate proof of completing kindergarten at a public, state-licensed private, state-exempt private or approved home school program OR demonstrate proof of completing kindergarten and promotion to first grade while being a resident of another state in compliance with the age and entrance requirements of the state. Proof must be verified through a report card issued by the last out-of-state public or private kindergarten. Second-grade students must have attained the age of 7 years old and demonstrate proof of completing kindergarten and first grade at a public, state licensed private, state exempt private or approved home school program. Children who have attained the age of 6 who do not meet the entrance requirements will be placed in kindergarten.

Age Requirements

Bus Services

Students who live more than 2 miles from zoned schools are eligible for bus transportation. Those who are eligible must fill out an application form requesting the service. The forms are available throughout the Clark County School District. Bus times and route schedules can be obtained through your child's school or at www.ccsd.net/transportation. Students with zone variances will NOT be bused. Parents will be responsible for the child's transportation to and from school.

All schools give students the opportunity to purchase breakfast and hot lunches. Elementary schools average \$1.00 for breakfast & \$1.50 for lunches. Middle/High Schools average \$1.25 for breakfast & \$2.00, \$2.50 or \$3.00 for lunches. For students in kindergarten through 8th grade, applications for free or reduced-price meals are offered. The Food Service website, ccsd.net/departments/food-service, provides more information on pricing, menus, nutrition details, and other important information. It also includes a link to myschoolbucks.com, where it is possible to make online payments to a student's meal account, and to view what items your child has purchased.

Meals at School

Immunizations

Nevada law requires that children in kindergarten through grade 12 are current with their immunizations before they are allowed to enter school. Parents/guardians are to bring immunization records with them to school when they register their child. A child will not be allowed to attend school without documentation of immunizations. Exceptions are permitted for "religious objections", which requires a letter from the parent or guardian stating the religious objections, or for a medical condition, which requires a letter from a health care provider.

For the new school year, students must be up to date with all required immunizations. Students entering 7th grade also must have the recently-mandated T-dap vaccine which protects against tetanus, diphtheria and pertussis, or whooping cough.

Students new to Nevada are required to have immunizations for hepatitis A and B, and varicella (chicken pox). If a child has had chicken pox, the parent or guardian must sign a "Verification of Disease" form, which is available at each school. A second dose of MMR is required for all kindergarten and first-grade students.

Contact the Clark County Health District at 702.383.1351 for more information.

Clark County School District

Enrollment

In order to enroll students:

Must have proof of immunizations before classes begin ←

Parents entering their children in a District School for the first time must have identification, child's social security number, and two forms of proof of address. Proof of child's identity can be the original birth certificate or passport. Identification must be an original - no copies are accepted. ←

The required proof of address can be recent utility bill, rent receipt, residence lease or sales contract. Telephone bills, cable bills, and driver's license are not accepted as proof of address.

All students who are transferring from another school district require transcripts or report cards from the previous school. ←

High School Graduation Requirements

To graduate from the CCSD, students must complete their required course work and pass the Nevada High School Proficiency Exams in reading, science, writing, and math. Students who enter the ninth grade must earn 22 ½ credits in the following subjects:

English	4 credits
Math	3 credits *
Science	2 credits
U.S. History	1 credit
U.S Government	1 credit
Physical Education	2 credits **

Magnet Programs

Clark County School District offers a variety of Magnet programs for elementary and secondary levels of education. Students from across the District may apply to Magnet/CTA, regardless of the region in which they reside, however, transportation will only be provided to students living within the designated transportation boundary for the magnet program. The purpose of Magnet/CTAs are to improve student achievement, promote diversity, and create and awareness of career opportunities relative to the fields of study in which students may be interested. Areas of emphasis include math and science, fine and performing arts, technology, tourism and travel, and aerospace and aviation, medical, and law and leadership professions. Admission requirements vary depending upon program and level of education. Below is a list of schools that offer such programs.
